

Russellville Hospital *Senior Friendly* ER

Russellville Hospital Senior Friendly Emergency Department

Russellville Hospital recognizes that senior citizens have unique healthcare needs. That's why we have developed specialized emergency room services for seniors.

Our Senior Friendly Emergency Department Features include:

- Emergency Department Nurses with specialized training on treating older adults
- Thicker, more comfortable mattresses
- Recliner for patients requiring upright position
- Identification of home resources
- Pharmacy consultation when needed
- Warm Blankets
- Reading Glasses and Canes available for us during your visit

When you need **EMERGENCY**
healthcare services, choose Russellville Hospital.
