

Quality Medical Imaging for Your Patients

At the Russellville Hospital Diagnostic Center, we offer state-of-the-art medical imaging equipment combined with personal care and attention. Our certified technologists take time to explain each procedure so your patients know what to expect every step of the way.

For patients, we offer:

- Comfortable waiting area environment
- Same day appointments
- Scheduling flexibility: Monday—Friday, including lunch and evenings
- Saturday appointments for X-Rays

For physicians, we provide:

- Complete diagnostic imaging services using advanced technology
- Timely reports
- Online access to patient images

Services

- Wide Open, High Field 1.0T MRI
- Nuclear Medicine
- Ultrasound
- X-Ray

The only wide open MRI in the area.
